

Braveheart Ride 2008

CyclingFund Saturday 25 October

We hope you are ready for Saturday

If you haven't already entered please don't come expecting a ride. Both rides are full.

Please register at the event HQ - St Joseph's Academy, Grassyards Road, Kilmarnock from 9.30 am and NO LATER than half an hour before you are due to set off.

You know your own ability - this is NOT A RACE! Please allow yourself time to get back to the HQ by 3 pm at the latest. The 44 mile ride is meant to be a challenge - don't expect to be back by 1 pm if you leave at 11 am.

Please carry a spare tube and if you are using a racing bike, put on the toughest tyres your bike will take. You are advised to wear or carry a waterproof jacket.

The race numbers will be allocated alphabetically for each ride - i.e. A-Z for 44 mile ride will be 1 - 435 and the 20 mile ride will be A-Z 436-500.

If you wish to change the ride you are doing, please email info@walkerseventmanagement.co.uk

All participants under the age of 18 will require to bring a signed parental consent form - these will be available at registration, or can be downloaded here <http://www.braveheartfund.com/EventDetail.asp?EventID=7583>

The cycle show promises to have some fabulous kit to see - Giant Bicycles are bringing their Wagon which will be located in the car park - depending on the weather most of the other exhibitors will be inside.

St Joseph's Academy is a brand new community school with fabulous facilities. There are changing facilities and showers. Please respect the school and help us minimise the impact by leaving everything as we find it.

YOU ARE PARTICULARLY REQUESTED NOT TO WEAR CLEATED CYCLING SHOES INSIDE THE SCHOOL

All riders who complete the ride will have their numbers entered into a prize draw - so make sure to come back into the assembly hall after you return.

Let's hope for good weather.

Best wishes

The Braveheart Team
